

Future ESC Congress locations announced

12 Jun 2024

Topic(s): *Other;*

Highlights:

- The future ESC Congresses will be held in Madrid (2025), Munich (2026), and Milan (2027).
- The flagship annual event of the European Society of Cardiology gathers 30,000 members of the global cardiovascular community.
- ESC Congress location changes yearly and is chosen based on many criteria, including accessibility and sustainability.
- Madrid and Milan are first-time destinations for ESC Congress.

Sophia Antipolis, 12 June 2024: The European Society of Cardiology (ESC) is delighted to announce its future congress destinations. The year 2025 brings the world's largest cardiovascular event to Madrid, followed by Munich in 2026, and Milan, in 2027. This August, ESC Congress will be organised in London.

***Waiting new centers
... we need more
patients from you !!!***

**ROAD TO
MILAN**

***ESC congress 2027 will be
held in Milan***

**We cannot miss the
opportunity to make history
presenting the results of
our Italian study in Italy!!!**
